

### English:

- We will read lots of fairytales and traditional stories throughout the half term.
- We will focus on the stories Goldilocks and the Three Bears and Little Red Riding Hood.
- We will learn about how stories are made up of characters, a setting, a problem and a solution.

### Maths:

#### Number:

We will practise matching objects that are the same, sort different objects and compare quantities.

#### Shape, Space and Measure:

We will explore size, mass and capacity. We will use lots of vocabulary to describe what we have found out.

### Expressive Arts and Design:

- We will become familiar with the creative area in our classroom, exploring and using the resources in different ways.
- We will learn how to make masks using different textures and techniques.
- We will explore colour mixing.

### How can you help?

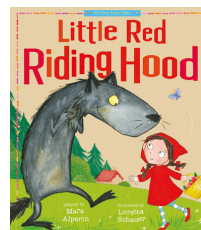

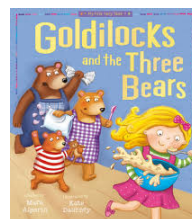

- Read with me every day Monday to Friday and make a note in my organiser.
- Help me to learn our nursery rhyme of the week.
- Remind me to take my full uniform, organiser and bookbag every day.

## Autumn 1

### Ash Class

### Key Books:

### Phonics:

- We will focus on Phase 1 phonics this half term.
- We will practise listening to different sounds, explore rhyme and rhythm and begin to verbally say the sounds we can hear in words.

### Communication and Language:

- We will practise developing our speaking and listening skills in small groups.
- We will develop our ability to tune into what others are saying and answer questions appropriately.

### Personal, Social and Emotional Development:

- We will focus on becoming settled in our new classroom and routines.
- We will learn about how important it is to keep washing our hands.
- We will develop our understanding of the emotions happy and sad and the different things we can do if we feel these emotions.

### Understanding the World:

- We will learn all about woodland settings.
- We will ask and answer questions by exploring our outdoor area and forest school.
- We will look at seasonal changes and what happens to the world around us in Autumn.
- We will begin to use technology for a particular purpose e.g. cameras and Ipads.

### Physical Education:

- We will practise getting ourselves changed for PE.
- We will focus on moving confidently in different ways and playing simple team games.
