AUTUMN

Head Teachers Summary

Welcome Back

What a fantastic start to the new term we have had at Old Bank Academy!

I am so proud of the way that the children have adapted to lessons in COVID19 times, something we hoped would have eased somewhat.

However, our children are working hard and following all of the measures put into place like the superstars that they are!

I would like to also say a big thank you to parents for helping us to maintain the 'drop & go' system at drop off and pick up, your cooperation has been fantastic!

As always, come and see me on the gate! Mrs Wood

Where Every Pupil Grows

What lovely, smart children we have at Old Bank Academy!

Main Story

Growth Respect Opportunity Wellbeing

This term we have introduced and talked to the children about our new school values and what they mean at Old Bank. You can see our new values above! **GROW**

The children have had some fantastic discussions around each value. In Oak class, the focus has been on Growth through responsibility and what this means to them in Year 6. Whereas Cherry class focused on Respect and how they can be better friends to each other. Some thoughtful and inspiring work, well done everyone!

The children have also spent lots of time with their class teachers talking about keeping themselves safe. This has included online safety, road safety and stranger danger. Please speak to Mrs Cooper for further information or support with setting online safety settings.

Upcoming Events

Parents Evening – 5th & 6th October

Poster Competition- Keeping Safe

Harvest Festival- Zoom Assembly

Autumn Art Competition

Parent Riddle ...

What goes up and down but does not move?
