

English:

- We will read stories all about Superheroes
- We will look in depth at the Supertato series of stories and use our imagination to suggest our own ideas for writing.
- We will also learn the story of Juniper Jupiter and create our own superhero story as a class.

Maths:

Number:

We will learn about numbers to five in further depth, including learning all about 0.

We will learn about how numbers can be made up of smaller numbers.

Shape, Space and Measure:

We will compare mass and capacities and begin to order objects by different measures.

Expressive Arts and Design:

- We will explore how we can use materials in different ways to create something new e.g. can we use a box to make a trap. How will it work? How can we improve it?
- We will use our imaginations to create our own role play scenarios based on superheroes.

How can you help?

- Read with me every day Monday to Friday and make a note in my organiser.
- Remind me to take my full uniform, organiser and bookbag every day.
- Practise new phonics sounds and tricky words learnt in the week.

Spring 1

Ash Class

Key Books:

Phonics:

- We will consolidate our knowledge of Phase 2 phonics and begin to learn Phase 3 sounds.
- We will practise applying our phonic knowledge to help use blend and segment.
- We will practise reading and understanding what we have read.

Communication and Language:

- We will practice using speech to communicate our ideas, needs and wants effectively.
- We will learn new vocabulary to help us speak in more detail.

Personal, Social and Emotional Development:

- We will focus on playing collaboratively with others and how we can combine ideas to develop play.
- We will begin to talk about similarities and differences between ourselves and others.

Understanding the World:

- We will learn all about different occupations e.g. doctors, police officers, firemen, vets etc.
- We will learn how we can use technology to change or enhance our learning e.g. using an Ipad to photograph or video our work.

Physical Education:

- We will practise moving safely by negotiating space and will develop throwing and catching skills.
- We will also talk about the effect of exercise on our bodies and how to keep our bodies healthy.
