

## English

We will continue working on using our capital letters and full stops correctly. We will also be using Grandads Island to inspire a variety of writing. We will be working hard on our reading and understanding what we have read.

## Maths

This half term we will continue with our multiplication and division topic. It is essential that your child practices and knows their 2, 5 and 10 times table facts. Later on in the term we will be looking at measuring using length and height.

## Science

Our topic is animals including humans. We will be learning all about different skeletons and muscles. We will look at why skeletons are important and be able to name bones.

## How can you help?

- Read with me every day Monday to Friday.
- Help me to learn my weekly spellings
- Encourage and remind me to access Timestable Rockstars and Numbots at home.
- Remind me to take my full uniform, planner and bookbag every day.

Spring 1

Cherry Class

Key Books:

**Grandad's Island**  
**By Benji Davies**

## Geography

This half term we will be focusing on Sensational Safari! We will take a closer look at the country Kenya and the amazing animals you will find there. We will also be comparing life in England to life in Kenya

## Design Technology

We will be investigating wheels and axis in order to create our own safari buggy!

## RE and PSHE

This half term's focus is rights and responsibilities.

## Physical Education

PE will be every Tuesday. We are asking you to send your child in their PE kit with their blue uniform jumper.

## Computing

We will be using the computers to create art! We will focus on pointillism and hope to recreate pieces of art by famous artists.
