

Monday 11th January 2021

Dear Parent/Carer

I hope this letter finds you and your family well as we start to get used to a different way of working & indeed living through another national lockdown.

I would like to take this opportunity to say thank you for your patience and support during what can only be described as a challenging week last week for the whole school community, not just at Old Bank but nationally. To top it all off we even had some snow to deal with!

The whole staff team at Old Bank have been working tirelessly to ensure that children are provided with remote learning and access arrangements. As always, anything involving technology has its teething problems and we continue to listen to pupil and parent feedback in terms of any access issues or remote learning concerns.

By now your child should have accessed the google classroom for their class & started to work on curriculum activities set by class teachers. Weekly overviews will be posted weekly with links to learning, files to download and from this week we will be asking all children to collect a CGP English and White Rose Maths workbook to use alongside their remote learning.

You can also find lots of useful tips about remote learning, online safety guidance, google classroom help and weekly overviews for each class on our [school website](#) under the [Home Learning](#) tab.

As always, we are always here to help and support both pupils & parents, particularly with something as new as remote learning. Please do not hesitate to contact school for further support or guidance by contacting the school office on 01924495790 or emailing support@oldbankschool.co.uk

Finally, please look after each other at this difficult time and remember that teaching your children to tie their shoe laces, complete a jigsaw, follow a Joe Wicks workout (if you are not already wilting at the thought!) and make a cake are just as valuable as life lessons for our children alongside learning provided by school. You are all doing a great job.

Thank you for your continued support.

Kind Regards

Mrs J Wood
Headteacher
