

## Computer Upload Help Sheet

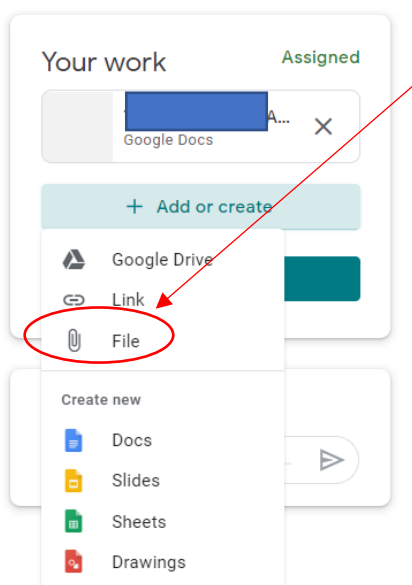

### 1) Click 'view assignment'.

### 2) Click 'add or create'.

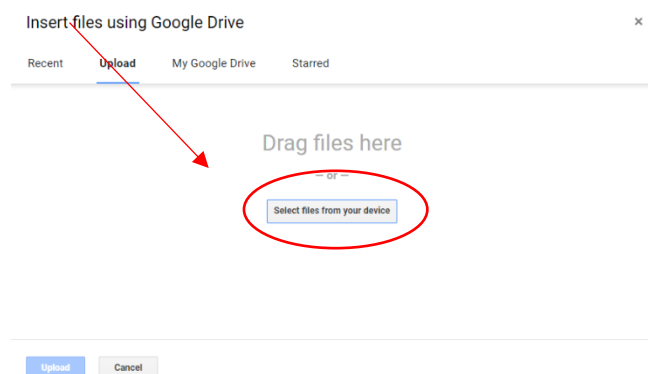

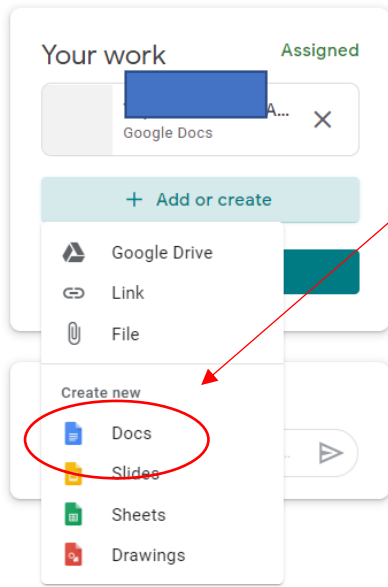

### 3) Read the options carefully.

**Option 1 – If you have created your poster on your computer i.e Word or Powerpoint. Click the file button.**

**Then, click the 'select files from your device' button. Choose your poster and press 'open'. Finally, press 'upload'.**

**Option 2 – If you want to create your poster on Google classroom, click the ‘create new – docs’ button.**
