<b><u>Phonics - see letter formation sheets in printed pack</u></b>				
Video Lesson New sound: ur	Video Lesson New sound: ow	Video Lesson New sound: oi	Video Lesson New sound: ear	Video Lesson New tricky word: be
<p><b><u>Writing/Creative</u></b>            Creative and writing activities will be based around a book. This week our book is <i>The Gruffalo</i>.            You can watch a video of the story by clicking the link.  <a href="https://www.bbc.co.uk/iplayer/episode/b00pk64x/the-gruffalo">https://www.bbc.co.uk/iplayer/episode/b00pk64x/the-gruffalo</a>            Use the booktalk page on Google Classroom or in your printed pack to see some activities for the week.</p>				
<p><b><u>Stories</u></b>            There will be a themed story recording or link posted on Google Classroom each day. Use these to develop recall of events and talk about the characters, settings, problems and solutions in the story.            Encourage your child to talk about and draw their favourite parts of the story. Can they use their phonics knowledge to write labels on their picture?</p>				
<p>Please see a wide range of links for Maths, Phonics and stories on the Google Classroom stream.            Don't forget to email <a href="mailto:ash@oldbankschool.co.uk">ash@oldbankschool.co.uk</a> if you have any questions.</p>
