SUMMER

Head Teachers Summary

I'm sure you will agree that this half term has been fantastic in that we have remained open to pupils! It is beginning to feel like we are getting back to some level of normality, however we continue to follow public health guidelines and appreciate your ongoing support. I have been lucky enough to visit lessons this half term and I have witnessed some fantastic learning in classrooms and the work produced has showed progress. Our teachers have also enjoyed sharing our new English books with the children and have produced some brilliant writing linked to each story book/text. We can't wait until we can get parents into school again to share the children's work with you all!

Have a lovely half term break -let's hope it doesn't rain! - and we will see you all on Monday 7th June. Stay Safe!
Mrs. Wood

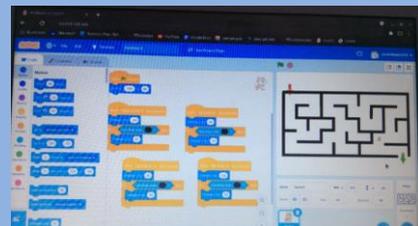

When Y6 stepped back in time and met a Greek man called Euripides...

Our Wonderful Work

Growth- our children have continued to grow in resilience and stamina during lessons -with a positive attitude to learning.
Respect- we want to thank our children for trying really hard to line up sensibly & show respect to staff through using STAR in class. Keep it up!
Opportunity- the children have taken part in some fantastic learning opportunities- this half term our children in Y5 and Y6 have stepped back in time with the Greeks and the Vikings!
Wellbeing- extra circle times and outdoor breaks have been timetabled to develop wellbeing. We will continue this throughout Summer term.
Thank you to all of those parents who completed the RSHE survey – more information about our new SCARF curriculum will follow in the Summer term.

Some fantastic examples of Y5 coding, the lifecycle of a butterfly from EYFS and some super Y5 narrative writing! Keep up the super work everyone!!
